FOR IMMEDIATE RELEASE  
Date: 5<sup>th</sup> April 2017

### DECATHLON EXPANSION Cambridge

Alliance Technical Building Services Ltd are pleased to be engaged by Decathlon for their UK expansion plans increasing the presence of Europe's biggest sports retailer who are passionate in their aim of 'making sport accessible for the many'.

For this contract, Alliance will be providing the Mechanical HVAC design & build with the Cambridge store within the Grafton Shopping Centre, starting in May and opening in June 2017. Alliance have considerable experience in HVAC, public health and electrical building services for retail clients, roll-outs, and typically fast-track programme. These from smaller outlets to supermarkets and retail parks, always with the aim of creating a pleasing shopping environment, whatever the weather, via unobtrusive building services.

Alliance Technical Building Services (aka Alliance) is a Midlands based Building Services contractor offering Mechanical & Electrical consultancy & design services, installation, and aftercare on commercial, health, and education projects throughout the UK.
