Three more Lidl Handovers Grimsby, Gainsborough, Welling

Alliance Technical Building Services Limited has completed the Mechanical & Electrical installation for another three state-of-the-art Lidl stores opening this quarter. Three stores, for three main contractors, to three specifications. Starting with the re-built store on Ladysmith Road Grimsby which opened on 26th October, closely followed by the all-new site in Beaumont St, Gainsborough with practical completion also on 26th October. The re-built Metropolitan 'store-on-stilts' with undercroft parking in Welling, London had PC on 16th November and due to open on the 30th.

These latest handovers further enhance Alliance's considerable reputation for assured delivery on Lidl projects from a team with experience in depth. The Next 3 months to February will see further handovers at Hornchurch, Garforth - Leeds and Harold Hill - London.

Alliance Technical Building Services (aka Alliance) is a Midlands based Building Services contractor offering Mechanical & Electrical consultancy & design services, installation, and aftercare on commercial, health, and education projects throughout the UK.
